Cooperation between Game Power 7 and Hamaleel Newspaper.

Dubai – April 2009

The first Arabic 3D MMO Game and virtual world, Arabic Rappelz, has started a cooperation agreement with the famous newspaper Hamaleel in a bid to promote Arabic literature and culture among the Internet generation in the Middle East

The first action in this agreement comes as Arabic Rappelz is celebrating the World Book and Copyright Day on April 23rd 2009.

Hamaleel is sponsoring a 3-days competition where players are asked to answer questions related to World and Arabic literature and culture with virtual and real world gifts.

Arabic Rappelz is the first Arabic MMO game to be published in the region, it was commercially launched on March 16th, 2009.

Hamaleel Newspaper is an independent weekly newspaper that focuses on local and Arab literature.

For Editors :

Game Power 7 was founded in 2007 as the first leading Arabic company in the field of online and mobile gaming.

As a part of the media group Spacetoon International, Game Power 7 presented innovative products based on localizing games from different cultures to fit the Arabic culture, values and traditions.

Relying on Arab talents, the company released a variety of exceptional games, the most popular one was Arabic Rapplez launched in 2008 as the 1st Arabic 3D online game. The game populations exceed one million players.

Game Power 7 has operation centers in three Arab countries with the headquarters in Dubai Media City. As part of the company's dedication to managing the community of Arab gamers, the company uniquely formed a Community Management QA team and a Culturalization and Cultural Content team.

Game Power7 has created a network of international business relations, that in-turn made the Middle East a magnet for world-class game developers. The company also supports many social programs for youth and local communities.
