Ministry of war Game Launches Closed Beta in the Arab World

Dubai - 21 December 2010

Game Power 7 released its first strategy browser-based MMORPG game in the Arab world, Ministry of war, where as players are invited to build their castles, amass armies, form alliances and lead their Heroes on epic adventures to slay fearful creatures of the land for FREE for life with No downloads and installation.

" We are proud to present to the Arab world an online game that changed the concept of browser online games. We also would love to announce that browser online gaming is not anymore just a simple game experience with primitive features and limited effects." said Naeem Karsly, Project Manager at Game Power 7.

Ministry of war is set in Medieval ages with four civilizations: Rome, China, Egypt, and Persia with spectacular graphics and gameplay. players will battle alongside thousands of other players in PvP and PvE warfare.

*** To be continued***

Ministry of war also includes a special Guild vs. Guild (GvG) battle system, where players can vanquish their rivals with a huge world to explore, oceans to sail, and tons of gameplay features to experience.

After one civilization conquers the rest, they will be declared the winner and each victory will form a chapter in the history of Ministry of war

Game Power 7 was founded in 2007 as the first leading Arabic company in the field of online and mobile gaming.

As a part of the media group Spacetoon International, Game Power 7 presented innovative products based on localizing games from different cultures to fit the Arabic culture, values and traditions.

Relying on Arab talents, the company released a variety of exceptional games, the most popular one was Arabic Rapplez launched in 2008 as the 1st Arabic 3D online game. The game populations exceed one million players.

Game Power 7 has operation centers in three Arab countries with the headquarters in Dubai Media City. As part of the company's dedication to managing the community of Arab gamers, the company uniquely formed a Community Management QA team and a Culturalization and Cultural Content team.

Game Power7 has created a network of international business relations, that in-turn made the Middle East a magnet for world-class game developers. The company also supports many social programs for youth and local communities.
